

Neighborhood Christian Learning Center

2018 Annual Report

2018 looks to be a wonderful year for the Learning Center.

Our Infant/Toddler room is full and as soon as one moves to the next class another starts. The Over 30 Month Class is full this year as well. We are looking into expanding the Over 30 Month program to accommodate more children.

We are beginning to put together the Summer Program.

We are expecting great things to happen this year. The Lord blesses us every year.
